INTRODUCTION

ABOUT HALAL GRAINS

Halal Grains is a premium manufacturer and exporter of halal-certified grains, Himalayan Pink Salt, and specialty food products. Headquartered in Pakistan – one of the world's leading sources of authentic Himalayan minerals and agricultural produce – we serve importers, distributors, retailers, and foodservice operators across international markets.

Our vertically integrated supply chain gives us complete control from source to shipment, ensuring consistent quality, competitive pricing, and reliable fulfillment at every scale.

OUR MISSION

To deliver premium, halal-certified food products to global markets with integrity, consistency, and excellence – building lasting partnerships through quality you can trust.

OUR VISION

To become the world's most trusted name in halal-certified grains and mineral products, recognized for quality, reliability, and ethical sourcing across every continent.

WHY CHOOSE HALAL GRAINS

We combine direct-source access, in-house quality control, and export-grade packaging to offer products that meet international food safety standards – at prices that protect your margins.

QUALITY ASSURANCE

Every batch undergoes rigorous testing for purity, moisture content, and microbial safety. Our facilities comply with international food safety standards, and all products carry halal certification recognized in major import markets.

MANUFACTURING & EXPORT EXPERIENCE

With years of experience in food processing and international trade, Halal Grains has established a proven track record of on-time delivery, accurate documentation, and responsive customer service. Our export operations cover sea freight, air freight, FCL, and LCL shipments to destinations worldwide.
